Mandatory Registration with the Legal Services Supervisory Authority

The Legal Services Supervisory Authority (“LSSA”) advises industry stakeholders that it has commenced its registration process for all firms of attorneys-at-law¹ operating in the Cayman Islands, in its capacity as the Anti-Money Laundering, Counter Financing of Terrorism, and Counter Proliferation Financing (“AML/CFT/CPF”) supervisory authority for the legal sector.

Requirement to Register

Pursuant to Regulations 55A and 55F of the Anti-Money Laundering Regulations (2025 Revision) (“AMLRs”), all firms of attorneys-at-law, including sole practitioners are designated DNFBPs, and are required to register with the LSSA, irrespective of whether they are conducting relevant financial business² or not.

Registration is a mandatory requirement, forming part of the jurisdiction’s wider AML/CFT/CPF framework aimed at maintaining the Cayman Islands’ high standards of professional and regulatory integrity.

Accordingly, all firms of attorneys-at-law, including sole practitioners, are required to register with the LSSA by **31 December 2025**.

For details on how to complete the registration process, please visit our website: <https://caymanlssa.ky/how-to-register/>

Failure to register constitutes a breach of the AMLRs and may result in enforcement action.

Next Steps

For additional information or queries on the registration process, please contact supervision@caymanlssa.ky.

We appreciate your prompt attention to this important regulatory requirement and your continued cooperation in upholding the standards of the Cayman Islands legal profession.

¹ As defined in the Anti-Money Laundering Regulations (2025 Revision)

² As defined in the Proceeds of Crime Act (2024 Revision)
