**The functions of this role will include but not be limited to the following duties & responsibilities:**

- Regulatory Compliance
  - Conduct risk-based on-site, desk-based, and thematic inspections to assess supervised firms' AML frameworks against the AMLRs.
  - Analyze complex information and firm data to identify ML/TF/PF risks and contribute to LSSA's risk assessment processes.
  - Review registration forms, AML Returns, notifications of changes, and high-risk scenarios, including matters escalated by junior staff.
- Reporting & Escalation
  - Assist with the preparation comprehensive inspection reports and remediation plans supported by clear, evidence-based findings.
  - Escalate significant compliance concerns, including suspected breaches of AMLRs or sanctions regulations, to the Manager or Enforcement Unit.
- Project & Process Support
  - Assist in the planning and execution of AML/CFT/CPF-related projects, including the annual AML survey and other strategic initiatives.
- Stakeholder Engagement & Outreach
  - Support the design and delivery of outreach initiatives to raise awareness of ML/TF/PF risks, regulatory trends, and industry obligations.
  - Participate in strategic initiatives, including the annual AML survey and legal sector engagement projects.
- Mentoring & Capacity Building

- Mentor AML Analysts and Trainee Analysts, providing on-the-job training in applicable AML laws, policies, procedures, and supervisory practices.

**The incumbent must have the following skills and experience:**

- A Bachelor's degree in law, finance, accounting, or a related discipline; or the ability to demonstrate equivalent relevant experience.
- Professional AML/CFT/CPF compliance certifications such as ACAMS, ICA, CFE, or similar are considered an asset.
- At least 5 years of experience in AML/financial crime or related field, with at least 2 years in a supervisory or regulatory capacity.
- In-depth knowledge of the AML/CFT/CPF regulatory framework in the Cayman Islands or a comparable jurisdiction, including relevant legislation and FATF principles/international standards.
- Experience handling complex cases and drafting reports in contentious or regulatory contexts.
- Proven ability to work effectively both independently and under direction, as well as collaboratively within a team environment.
- Proven ability to efficiently analyse, interpret, and evaluate large volumes of complex information.
- Strong written and verbal communication skills, with the ability to explain complex issues clearly and concisely.
- Excellent planning and time management skills, with the ability to prioritise and manage workload independently.
- Excellent analytical and report-writing skills.

The salary range on offer for this exciting position is CI\$75,000.00–CI\$90,000.00 per annum, commensurate with experience and qualifications, plus a comprehensive benefits package.

All applications must be received on or before 6<sup>th</sup> February 2026 to be considered.
